We are increasing the CO2 in the atmosphere, and so are increasing the rate of global warming. As it turned out, optimism for me came entirely in the form of something doctors would prefer you avoid when it comes to disease: the Internet. Full Cast and Crew. Rugby League. The good and the bad of their life. The need to keep apologising for not coming in earlier kept tumbling from my lips and the thought that I somehow should have taken better care of myself and I should have known better kept churning through my mind.
